

## ABOUT US

**Horizon Exim**, is your direct source for top quality fruit, vegetables and a whole lot more!

It is privately owned, we have a dedicated team consisting of the CEO, Vice-president, International Sells Consultants, Legal Representatives, Logistics, and Financial Analysts ready to serve you. The CEO gets involved and interacts with each client. We want to build strong rapport with our buyers while making lasting impressions. Our goal is to run an ethical and moral business, helping those who are in need while empowering all involved in process.

- Quality in relationships
- Quality in taste
- Quality in appearance

We believe in the overall quality of our produce and customer service experience. We back this statement with liability insurance on all orders.

## OUR SERVICES

Service- High level of professionalism in every interaction, and personalized service based on your needs that you just won't get anywhere else.

Competitive Pricing- Because you're dealing with a direct producer cum merchant, your overall produce cost is less.

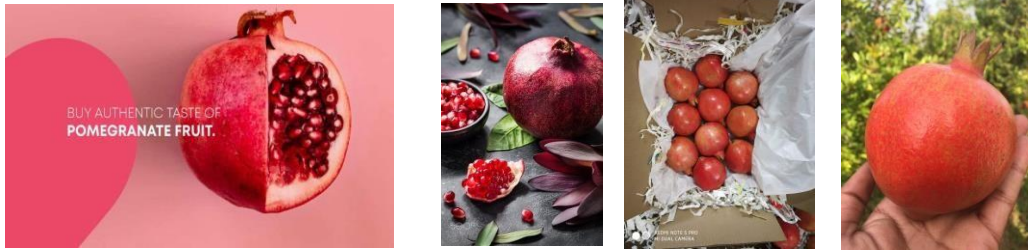

We procured goods from farms through contract farming and Properly Packed it at pack house located to different region of India.
